

STAND-UP CHARACTER: MASTER RHINO

ASSEMBLY INSTRUCTIONS

YOU WILL NEED:

- Metal-edged ruler
- Butter knife
- Scissors or craft knife
- Cutting mat (optional)
- Multipurpose glue

GETTING STARTED

- 1** Score all the pieces: Using a ruler as a guide, run the back side of a butter knife firmly along all dashed and dotted lines.

- 2** Using scissors or a craft knife and cutting mat, cut out all pieces along solid lines, including slit on face. For both horn, and sledgehammer, cut along outer gray box only.

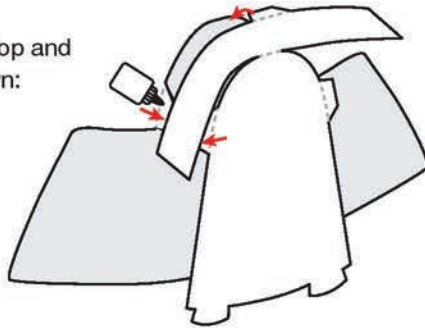

- 3** Fold all pieces along score lines, using the folding key below as a reference.

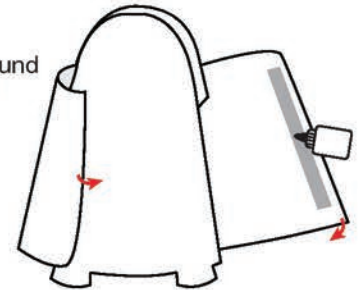

ASSEMBLY

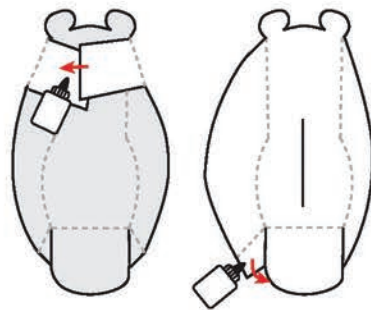

- 4** **Body:** Glue tabs on the top and the side of head as shown:

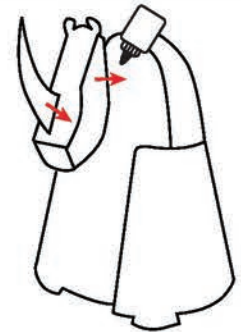

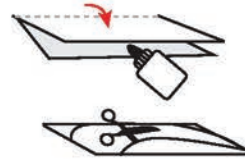

- 5** Glue interior coat panels and wrap around to adhere to front of the body.

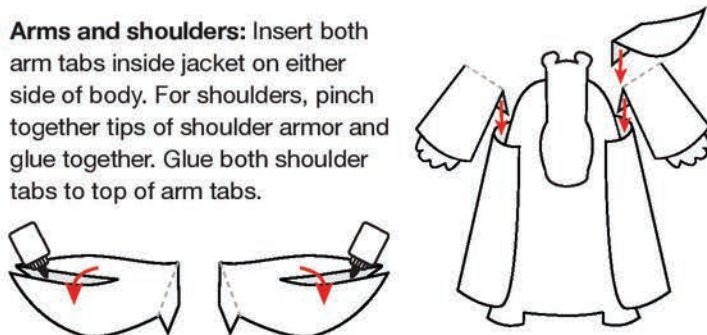

- 6** **Face:** Glue together tabs on back of face. Turn over and tuck tabs under mouth and glue.

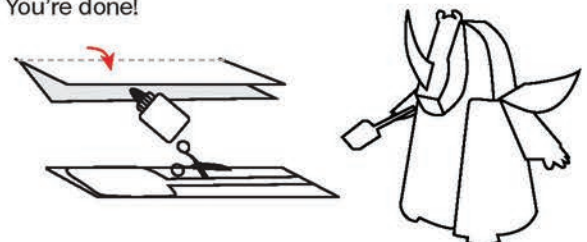

- 7** Create a double-sided horn: Fold in half and glue. Cut around solid lines and insert into slit on face. Glue face to body.

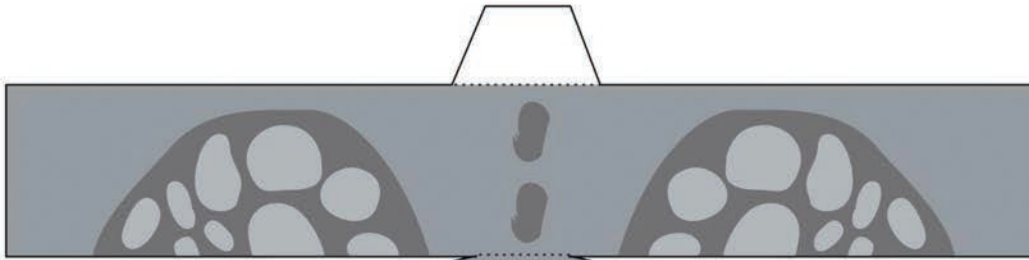

- 8** **Arms and shoulders:** Insert both arm tabs inside jacket on either side of body. For shoulders, pinch together tips of shoulder armor and glue together. Glue both shoulder tabs to top of arm tabs.

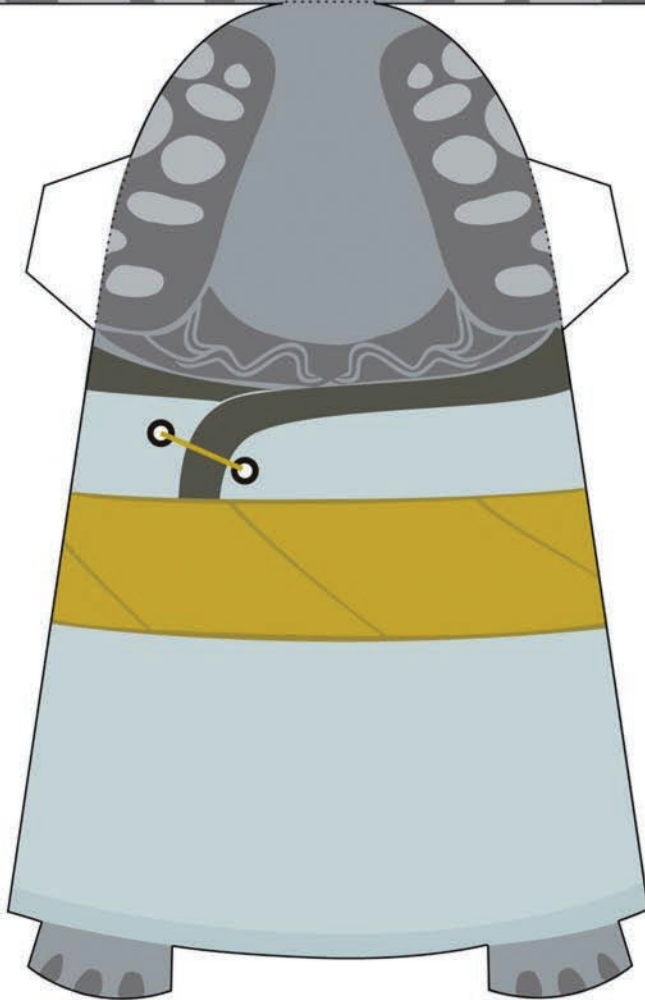

- 8** Create a double-sided sledgehammer: Fold in half and glue. Cut around solid lines. Glue inside arm. You're done!
