

## VOLTRON PHONE CASE (SMALL)

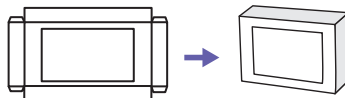

1

Using scissors or a craft knife, cut out all of the pieces along the **solid** outside lines.

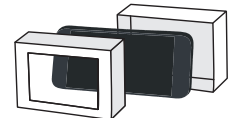

2

Fold the box together while following the indicated glue marks.

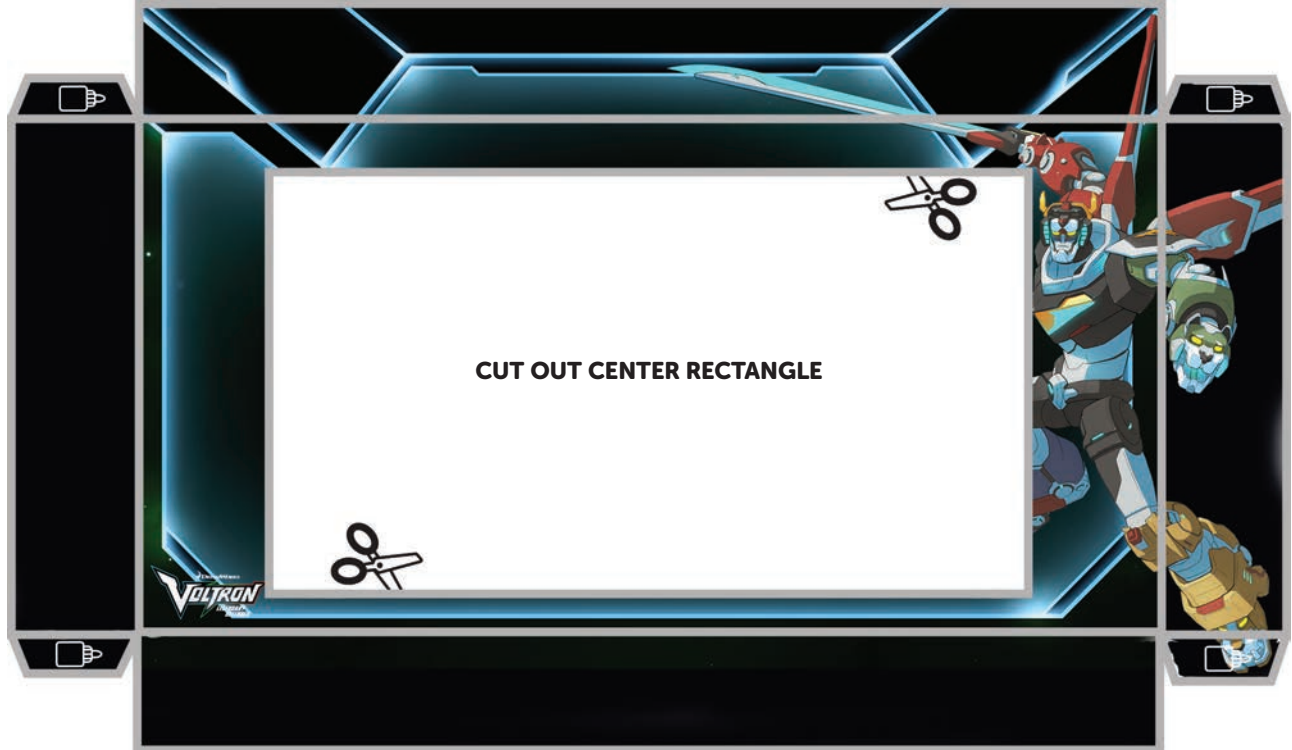

3

Place phone in middle of front and back cover to complete the case!

# VOLTRON PHONE CASE (MEDIUM)

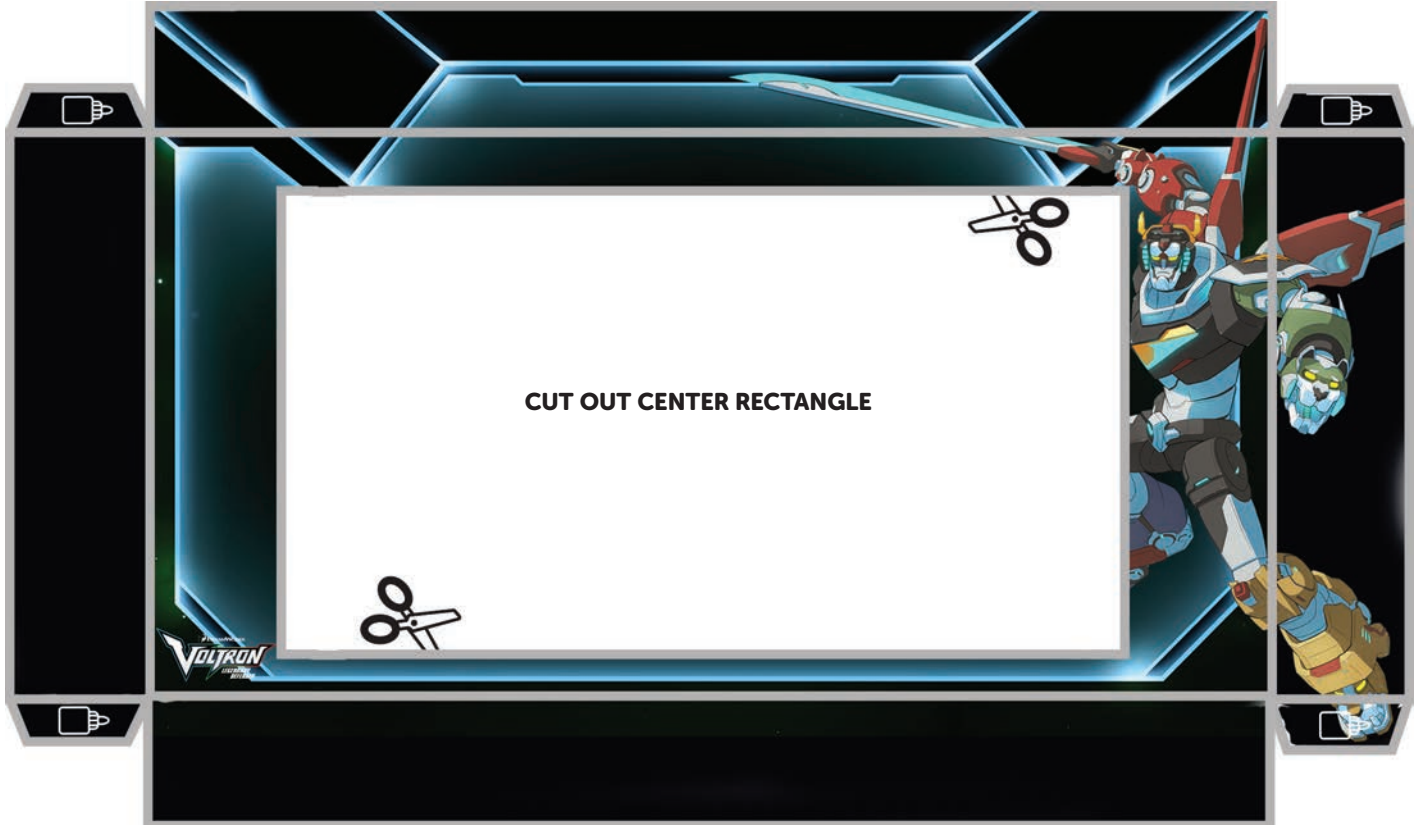

1 Follow instructions for small phone case.

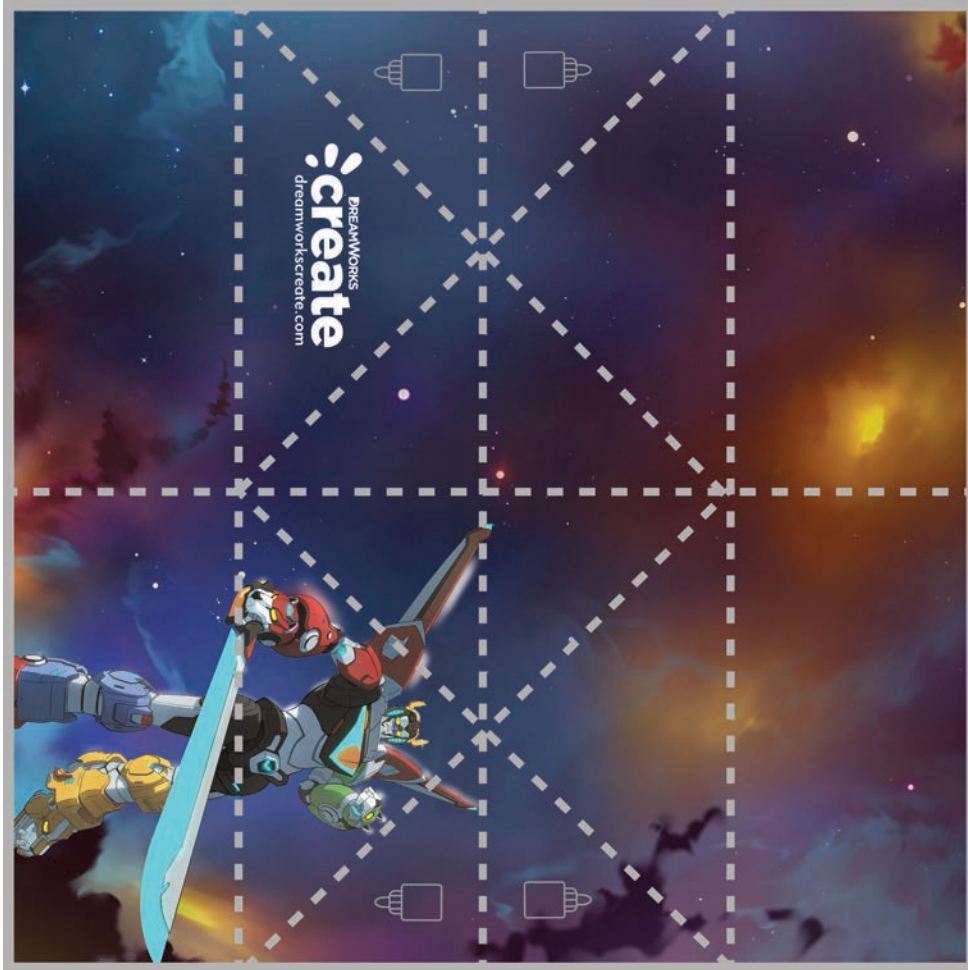

# VOLTRON PHONE CASE (LARGE)

## VOLTRON PHONE STAND

- 1** Fold sides back towards centerfold.
- 2** Fold into diamond and then unfold.
- 3** Fold in half twice as shown and then unfold.
- 4** Fold and glue two glue symbols together then repeat on other side.
- 5** Finish by folding bottom flap underneath and tucking it under the stand.
